Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO/SB/08. This Information Disclosure Statement is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final Action, Quayle Action, or a Notice of Allowance. rejections of "substantially similar claim[s]" to the Office. Accordingly, although Applicants are not representing that the Office Actions in the co-pending applications are material to the present application and are not admitting that any of the other claims are substantially similar, out of an abundance of caution, Applicants listed the outstanding substantive Office Actions filed in co-pending Application Nos. 09/629,422, 10/456,576, 10/795,216, and 10/784,830 on the attached PTO/SB/08, and enclosed a copy of these documents as well. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

Co-pending Application Nos. 09/629,422 and 10/456,576 were previously cited in the Information Disclosure Statement filed August 19, 2003, and considered by the Examiner as indicated on the initialed and signed Form PTO 1449 attached to the Office Action dated October 22, 2004. Co-pending Application Nos. 10/795,216 and 10/784,830, are continuation applications of Application Nos. 10/456,854 and 10/456,552, respectively, which were previously cited in the Information Disclosure Statement filed August 19, 2003, and considered by the Examiner as indicated on the initialed and signed Form PTO 1449 attached to the Office Action dated October 22, 2004.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitutes "prior art." If the Examiner applies the listed documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the

right to present to the Examiner the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any additional fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
